

SMOKING PERMISSION

ETC strongly discourages cigarette smoking. The smoking of cigarettes is in direct opposition to our philosophy of training actors to use their voices and bodies to their fullest potential. We do not want non-smoking students to be subjected to cigarette smoke and to the social pressure of smoking.

Furthermore, smoking in Eagles Mere is an environmental as well as a health hazard. The woodsy surroundings and the wooden structures make the danger of fire very real.

We ask your help in supporting our policy regarding smoking. Outlined below are our guidelines:

- 1) Students may not smoke without parental permission.
- 2) Because of fire hazards, no smoking is permitted in the house, the barn, or any other classroom facility.
- 3) Smoking is not permitted on the streets of Eagles Mere, at the beach, or in the Sweet Shop at any time.
- 4) Students may not smoke on school outings (ie, hikes, Friends of the Arts Events, etc.)
- 5) Smoking is limited to designated areas on the ETC property.
- 6) At no point during the summer is a student's need for a cigarette to be used as an excuse for lateness to any commitment.

An infraction of these guidelines will be interpreted as a breach of the student contract. Please fill out the form below and return it by June 15.
